COMPLETE CANINE TRAINING

Overview

This document outlines the structure, objectives and general schedule for the Dual Purpose Train the Trainer course offered by Complete Canine Training. All programs are designed to meet or exceed current industry standards, ensuring that students are highly proficient, well-trained, and well-prepared for training canines in multiple disciplines.

All courses are held at the Complete Canine Training facility in Brighton, Colorado.

*10% Discount available for multiple student enrollment at the same time from the same agency.

Dual-Purpose Train the Trainer Course

8-Week Trainer Course to teach students how to properly train a dual-purpose canine.

Course Goal: Prepare trainers to develop and manage a dual-purpose canine capable of detection and patrol work while maintaining balance, clarity, and control.

Pricing: $10,000 per student*

Upon successful completion of this course the trainer will be able to:

- Successfully meet all detection objectives outlined in the Detection Trainer Course.
- Execute controlled apprehension and bite work, demonstrating control and recall in high-stress situations.
- Conduct safe and reliable area, building and vehicle searches for suspects.
- Perform effective tracking/trailing operations, where the K9 is scent discriminating human odor over various distracting odors and through various terrains and conditions.
- Demonstrate proficient obedience, agility and handler control under distraction.
- Pass a final comprehensive certification test through DrugBeat International for detection, patrol and tracking.
