General Train the Trainer Course

A variable-length train-the-trainer course to teach students proper canine training skills in an a la carte fashion. Focusing on the individual needs of the student through a predetermined timeframe.

Course Goal: To train new or experienced canine trainers the skills they need to adequately train K9s to an operational capacity in the given timeframe.

Pricing: $1,475.00 per week per student*

Course Structure

- À la carte format – training blocks selected by need
- Duration varies based on selected modules
- Focused on instructor-level development, not handler basics
- Emphasis on problem-solving, evaluation, and instruction

Course Objectives

- Evaluate their own strengths and deficiencies as K9 instructors
- Improve instructor-level skills in patrol work, detection, and/or tracking
- Apply structured, defensible training methods to real-world environments
- Instruct handlers with clarity, consistency, and accountability
- Improve overall program effectiveness while managing operational risk
